The Five Dysfunctions of a Team

1. The first dysfunction is an **absence of trust** among team members. Essentially, this stems from their unwillingness to be vulnerable within the group. Team members who are not genuinely open with one another about their mistakes and weaknesses make it impossible to build a foundation for trust.
2. This failure to build trust is damaging because it sets the tone for the second dysfunction: **fear of conflict**. Teams that lack trust are incapable of engaging in unfiltered and passionate debate of ideas. Instead, they resort to veiled discussions and guarded comments.
3. A lack of healthy conflict is a problem because it ensures the third dysfunction of a team: **lack of com-**
